YOURS

Yours to keep
site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 Your sign, made into the page.

Option 1 takes the house-and-cedar mark off your sign and draws it big. The cedar's trunk drops below the house to become the I in Island, the same move your logo makes with the I in CONTRACTING.

02 One of a kind, light on the land.

Your words: an eco-friendly Salt Spring construction company building custom, one-of-a-kind homes from design to build. Option 2 lays that out like a drawing sheet in daylight, around the farmhouse kitchen from your old site.

03 Honest, first.

Honest ~ Dependable ~ Creative is your line. Option 3 sets the first word in your green and sign orange, loud enough to read from the road. Every option keeps 250-537-8775 one tap away.
